Trial Classes at Alison's Letterland Childcare Centre-Weekday Classes AM/PM

Dear Parents,

Your child is entitled to one free trial class at Alison's Letterland Childcare Centre.

The trial class gives you the opportunity to participate in all of the activities provided at the centre. It also gives your child's class teacher the opportunity to observe your child and their progress throughout the class.

On arrival at the centre you will be able to view the children happily at the play times and get a feel of the warm and friendly atmosphere the centre is so well known for.

Please complete the information below before your child attends the free trial class:
